

# DONNA

This exceptionally comfortable design features a multi-cushion format and exposed wooden knuckles for easier handgrip. It is available as a handle-operated or dual riser-recliner, designed with a chaise style seating to provide extra support to your legs when reclined. Recliners and riser-recliners are available with a heated lumbar and massage system as an optional extra. Enquire with your stockist about our overnight service available on riser-recliner.
