➤ DOLOMITE MAXI+

The **DOLOMITE MAXI+** is a heavy duty walker that has been developed to meet the needs of larger individuals. The generous, reinforced frame has a weight capacity of 200 kg (32st).

2 year warranty

➤ Extra space

The **DOLOMITE MAXI+** features a wider seat than conventional walkers; the additional 10 cm of space between the handles provides more comfort.

➤ Adaptable to individual needs

The **DOLOMITE MAXI+** is available in two frame heights with adjustments possible within each frame. It is recommended that individuals utilize the higher seat height when having difficulty moving from a sitting to a standing position. Further adaptation is possible with a selection of accessories from the range.
