QUALITY FOR LIFE

## Power Wheelchair A 200

- Individually adjustable
- Can be disassembled
- Seat inclination
- Easy to service
- Total width 57 cm

## A 200 – Off it goes!

Whether visiting friends, going away for a trip or to the restaurant: the A 200 makes you mobile. Indoors and outdoors alike. Being only 57 cm wide it fits even through narrow doorways. As a part of the new power wheelchair family, the A 200 is compatible with the components and seating system of the B 500, B 600 and C 1000. This optimizes logistics. The A 200 can easily be transported in a car. It is quickly disassembled, is compact and lightweight (66 kg). The entire electronic system is integrated in a single box. Service friendliness is an integral part of the A 200 mobility concept. The same applies to the multitude of equipment options. With its 28 Ah gel batteries it provides a large operational range. Indoors and outdoors alike.
