Mia Mono Rise & Recline	☹	☹	☹	☹	☹	☹

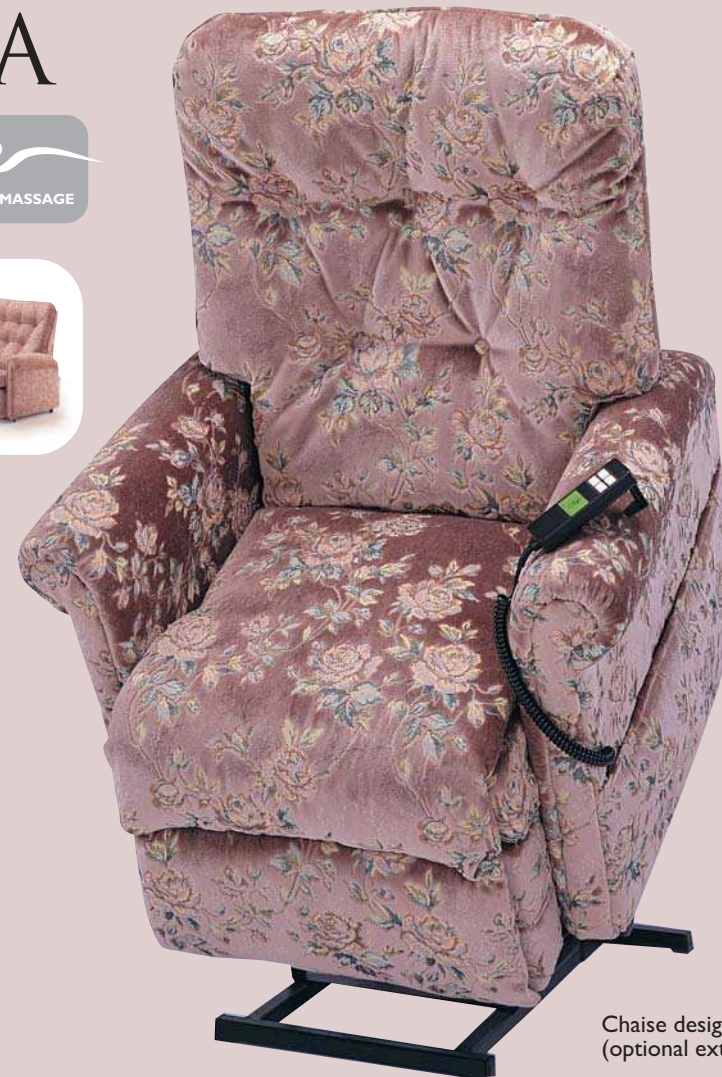

The Mia is a traditional mono riser-recliner, helping to provide comfort and assistance. The heated lumbar and massage system is available on the riser recliner as an optional extra. Enquire with your stockist about our Overnight delivery services. (Available in 'A' Fabrics only).

# LAURA

The petite measurements of the Laura make it a more suitable design for the smaller person. A neat and compact design with buttoned back available in a standard design or with a chaise-seat as an optional extra to power operated recliner, mono riser-recliner and dual riser-recliner only. The standard design (without chaise-seat) will be dispatched if chaise-seat styling is not specified on the order. A heated lumbar and massage system is available on power operated recliner or riser-recliners as an optional extra. A fixed chair or two seater settee, both with reversible seat cushions, compliment this range.
